

PRODUCT

The recycled paper home décor collection is handmade in Vietnam from the pages of discarded and recycled magazines.

Each piece is unique, no two ornaments will be exactly the same. Yet they provides a fair, reliable income in a safe and dignified environment. Coated with a clear non-toxic lacquer.

Their character and colorful beauty is perfect for the holidays!

ARTISAN

Our recycled paper ornaments provide full-time work for 150 women and men in Hanoi, Vietnam. Each artisan is the sole income-earner in the family. They benefit from full health insurance and access to interest-free loans.

Every month, we help to reuse 3 to 5 tons of old magazines, used brochures and printing paper. The production process combines modern materials with traditional handcraft techniques.
